

FINAL READ AND CERTIFICATION POLICY

The Board of Reading Area Water Authority designates the Director of Administration, or his/her designee, as the officer authorized to approve final water service meter readings and to provide certifications of charges, upon request by the public, and the said Board hereby authorizes such officer to assess and collect, on behalf of the Authority, a fee of Thirty-Five Dollars (\$35.00) for such service and certification. Payment of such fee shall be a pre-condition of obtaining a final water service meter reading and providing such certification. All fees shall be non-refundable.

In the event that a second or subsequent final water service meter reading and certification is requested for the same property, an additional fee of Thirty-Five Dollars (\$35.00) shall be assessed and collected.

DULY ADOPTED at a public meeting of the Board of Reading Area Water Authority, held on the 26th day of April, 2012.
