This permit is issued subject to the strict observance of Resolution No. 30 adopted on June 30, 1994, by the Reading Area Water Authority. The permittee shall assume full responsibility for use, operation, repair and/or replace, if damaged, of the fire hydrant and hydrant metering assembly, and will keep unauthorized persons from using or tampering with the fire hydrant and hydrant metering assembly. The use of the hydrant shall only be between the hours of 7:30 a.m. and 4:00 p.m. At the end of each day the fire hydrant shall be turned off and the hydrant metering assembly removed and storage in a non-freezing environment.

This permit is subject to revocation by the Reading Area Water Authority in the event of the failure of the permittee to comply with the terms or conditions upon which this permit is granted.

A flat fee charge of \$20.60 for the meter connection and a water usage fee of \$6.68 per 1000 gallons used will be billed when the connection is removed.

This permit shall not become valid until it bears the official signature of the Executive Director of the Reading Area Water Authority or their designee.
