

## **NORTH HEIDELBERG WATER SYSTEM MANDATORY WATER CONSERVATION NOTICE**

This is an URGENT message from Reading Area Water Authority. If you are receiving this message, you receive your water service through the North Heidelberg Water System.

At the present time we are unable to replenish the storage tank to adequate levels. We believe there is a leak in the system we cannot locate.

**We need your help!**

Please check your property for any leaks, or any unexplained puddling or running of water.

Please contact the Authority for any properties you are aware of that are vacant.

If you have any question at all please call us and we will dispatch a technician and we will assist you.

**Immediately suspend all water consumption between the hours of Midnight and 5 am and minimize usage throughout the remaining hours of the day.**

**If conservation efforts are unsuccessful,  
you will experience interruptions in your water service.**

Reading Area Water Authority is working in conjunction with DEP, County Officials, Local Officials and Engineers to resolve this current emergency.

RAWA will distribute information through the Swift Reach System as it becomes available.
